Preparing for COVID-19

The situation with the COVID-19 coronavirus is rapidly evolving, the ADRC has partnered with St. Croix County Public Health to discuss the safety of the community. As of Monday, March 16th, we will not host onsite congregate meals at any of the Senior Center locations in St. Croix County until further notice. We understand the importance of proper nutrition and that the noon meal is an important part of our participant's day. Participants who resides within the community and are in need of the noon meal, a "Grab and Go" option will be provided. Participants will need to call their local Senior Center 24 hours in advance to reserve a meal. They will need to arrive at the Senior Center to pick up the meal and receive the meal at the door. There will be no entering the Senior Center. Transportation services have not been suspended at this time at the Senior Center, please call the Senior Center in your community for arrangements.
