

COMMUNITY DEVELOPMENT ANNUAL TREE SALE

Compost bins help you turn yard waste into rich, nutrient dense soil for your yard and plants. Made from 100% recycled plastic. Each bin comes with "The Composting Cookbook".

Add year round beauty and animal habitat to your property with our variety of Evergreens, Fruit Trees, Maple Trees, Oak Trees, Poplar Trees, Black Walnut Trees, and bushes.

Attract butterflies, help provide nectar sources, and help stabilize your shoreline. We have wild grasses and flowers for nearly every landscape and purpose.

*Compost bins, trees and shrubs will be ready for pick up in early May.
Plants will be available for pick up in early June.*
