

We recently issued a press release about changing the location of the drive-through testing event for next week. The full press release can be found on the St. Croix County website here: <https://www.sccwi.gov/CivicAlerts.aspx?AID=145>

For Immediate Release

The COVID-19 drive-through testing location scheduled for Thursday, December 10 will now be held at the United Fire Department in Hammond, WI. This is the last of these scheduled drive-through testing events. The testing location was moved from the location in Somerset to accommodate the flow of traffic and colder weather.

Updated Location:

- United Fire Department – Hammond
- 1055 Clyde Hanson Dr. Hammond, WI 54015
